(c) Details of SEMFEX-I and SEMFEX-II schemes are given in the enclosed statement.

Statement

Scheme for self employment of ex-servicemen (SEMFEX-I)

The scheme was formulated by the Directorate General Resettlement with the assistance of Industrial Development Bank of India (IDBI) on 1 April 1987. The aim of the Scheme is to encourage and assist ex-servicemen, disabled soldiers and widows of servicemen to take to self-employment ventures of small scale industries, transport, etc. Loans upto Rs. 50,000/- are covered under the existing composite Loan Scheme of IDBI for which no promoter's contribution is required. For projects ranging from Rs. 50,001 to 12 lakhs, promoter's contribution is limited to 10 per cent of the project cost. 15 per cent of the project cost is provided as soft seed capital assistance jointly by DGR and IDBI on 1 per cent interest in the nature of service charges payable annually. The balance 75 per cent is provided as term loan by the State Financial Corporations (SFC). A Screening Committee at the State level sanctions the projects.
